

Year 1
Home Learning Activity Grid

<u>Activity</u>	<u>Learning Link</u>
 Grow a Bean – Plant a bean, seed or bulb. Draw or photograph what happens as it grows.	Science – plants; observation
 Nature Palette – Collect fallen leaves, petals, twigs and other natural objects and create a picture or pattern.	Art & Design; Science
 Design Your Dream House – Draw, paint or build a model of a house. Tell someone about the rooms and what happens in each one.	Art & Design; Geography; Oracy
 Make a Story Prop – Create a puppet, mask or prop for a favourite story, then use it to retell the story to someone.	English; Drama; Oracy
 Sound Hunt – Go outside and listen carefully. How many different sounds can you hear? Can you describe them?	Science; English; Oracy
 Draw a Family Map – Draw a simple map of your local area, including your home and some places you know.	Geography – maps
 Build a Bridge – Use Lego, cardboard, blocks or recycling to build a bridge. How much weight can it hold?	Science; Design & Technology; Maths
 Toy Museum – Choose a favourite toy. Find out when it was made or how toys have changed. Present your own mini museum.	History – changes within living memory
 Family Recipe – Make something together. Talk about the ingredients, measurements and the order of the steps.	Maths; English; Oracy
 Weather Watcher – Record the weather for a week using drawings, symbols or words. What patterns do you notice?	Geography; Science
 Minibeast Safari – Look carefully in the garden, park or outside space. How many different minibeasts can you find?	Science – animals
 Bird Watch – Spend ten minutes watching birds. Draw one and describe what you notice about its appearance and behaviour.	Science; Art
 Family Charades – Take turns acting out an animal, job, sport or character without speaking.	Oracy; Drama; PSHE
 Become the Storyteller – Read a favourite story to a family member, younger sibling or favourite toy.	English – reading fluency; Oracy
 Maths Treasure Hunt – Find examples of numbers, shapes, patterns or measurements around your home.	Maths
 Seasonal Collage – Create a collage showing the current season using natural materials, drawings or recycled materials.	Science; Art; Geography
 Then and Now – Find an old photograph of a family member. Talk about what has changed and what has stayed the same.	History
 Make a Sound Maker – Create a musical instrument from household materials. Can you make different sounds?	Music; Science; DT
